NOTICE OF OPPOSITION

TAKE NOTICE that the Registrar is in receipt of a notice of opposition filed by CCM IP, S.A., of Avenue de Rumine 33, CH-1005, Lausanne, Switzerland, against trademark Application No. 7092.10, filed on the 16th day of September, 2010, by SOL BRANDS INC. (The Applicant), of 2nd Floor Mahogany Court, Wildey, St. Michael, Barbados, for the registration of the following trademark, as proprietor thereof:

The Opponent opposes the above trademark Application on the grounds that:

1. the Opponent is the registered proprietor of the following trademarks duly registered in Belize
 - (a) SOL (name and logo), No. 902.02, registered on the 29th day of August, 2002;
 - (b) SOL BRAVA (name only), No. 2887.05, registered on the 27th day of January 2005;
 - (c) SOL BRAVA (name and logo), No. 2886.05, registered on the 27th day of January, 2005;
2. the said marks are registered in respect of Class 32;
3. the Opponent is also the registered proprietor of the SOL mark (name only) and other similar SOL marks which are registered in other jurisdictions and which are used by the Opponent and are well-known in Belize;
4. the Opponent's well-known trademarks are also entitled to protection under the Paris Convention;
5. the Applicant's trademark is similar to those of the Opponent's and the Applicant's trademark is seeking to be registered in the same Class and for goods or services identical with or similar to those for which the Opponent's trademarks are registered and protected as earlier trademarks;
6. the Opponent's trademarks have gained international recognition and the Applicant's trademark, if registered, is likely to cause confusion which may mislead the public into thinking that the marks are associated with or are owned by the same company;
7. if the Applicant's trademark is registered, there exists a likelihood of confusion on the part of the public, which includes the likelihood of association with the Opponent's earlier trademarks;
8. such confusion will give rise to the passing off of one mark for the other and would lead the public to believe that the goods offered by the Applicant are the goods of the Opponent;
9. the Opponent's earlier trademarks have gained a distinctive character and reputation in Belize and internationally;
10. the use of the Applicant's mark will take advantage of and will be detrimental to the distinctive character and repute of the Opponent's earlier trademarks;
11. the Opponent relies on sections 37(2), 37(3), 37(4), and 38(1) of the Trade marks Act, CAP 257 of the Laws of Belize, Revised Edition 2000 and amendments thereto;
12. the Opponent respectfully requests that the Applicant's trademark be refused registration.

CLICK

The Applicant hereby gives notice that the following are the grounds on which it relies as supporting the above trade mark:

1. the Applicant's mark falls within the meaning of "trade mark" in accordance with the Trade Marks Act, Chapter 257 of the Laws of Belize (the "Act"), being in particular but not limited to section 2 thereof and further does not offend against any of the provisions of the Act;
2. the Applicant's mark is a sign capable of distinguishing the goods covered by the application ("the Applicant's goods") from those of other persons, including for this matter the goods of the Opponent;
3. the Applicant's mark has distinctive character in relation to the Applicant's goods;
4. the Applicant's mark is an original and contrived trade mark and is fanciful in connection with the applicant's goods;
5. the Applicant's mark does not consist of signs or indications that may serve in trade to designate the characteristics of the applicant's goods;
6. the Applicant's mark does not consist of signs or indications that have become customary in the current language or in the bona fide and established practices of trade;
7. the Applicant's mark would be regarded by consumers and traders as a trade mark and in particular, would be regarded as something intended to be trade mark and as something distinctive and could not be mistaken as only having a descriptive quality;
8. no rights, whether of a trade mark nature or otherwise, are vested in the opponent such as to be capable of preventing the applicant's trade mark being registered;
9. a refusal to register the applicant's trade mark as advertised would unfairly prejudice the legitimate business interests of the applicant.
