(The Applicant), of 4079 Racoon St. Ext., Lower Flat, Corner Elston Kerr Street, Belize City, Belize, for the registration of the following trademark, as proprietor thereof:

The Opponent opposes the above trademark Applications on the grounds that:

1. Opposition (based on absolute grounds for refusal) is based on the inability of any applicant to register a Trade Mark consisting of insignia or name of a government department (or Government of Belize) so as to be mistaken for it or alternatively, by use of words and letters likely to lead, (and has led) persons to think that the applicant either has or recently has had Government patronage or authorization and as such, falls within more than one subsection of the purview of Section 36 of the Trade Marks Act which is patterned after and enshrined in the Paris Convention.
2. Opposition is also based on the subsidiary laws, notably regulation 16 under "Non-Registrable Marks" subsection 1.d which states inter alia, "...the Registrar shall refuse to accept any application for the registration of a mark upon which any of the following appear...(d) any word or symbol likely to lead to the belief that the goods or services in the application have received ...governmental patronage or authority..."
3. The Opponent has, on behalf of the Government of Belize, not consented or authorized such use and has in fact been negotiating with the applicant for a transition of the pageant control due to various adverse complaints and publicity also the subject of this opposition.
4. The Opponent due to the negotiations that have not yet been completed, has not acted in absolute good faith and in fact, in the actual application, refers to the fact that the marks have been used since 1997, when in fact such figurative elements are of recent creation while the nominative elements have admittedly been used in the past by various other persons and without proper authority
5. Further, the applicant is a local company not in good standing with the Companies Registry, and as such, in violation of the Laws of Belize and accordingly has no legal standing to apply or even reply.

The Applicant is required to submit a response to this notice, to the Registrar, no later than 30 days from the date of publication of this notice.

DATED this 24th day of November, 2008.
