NOTICE OF PRACTICE DIRECTION**PRACTICE DIRECTION NO. 1**

The form entitled ‘PETITION FOR PATENT’ (Form No. 1 of Schedule II to the Patents Regulations, CAP. 253S) is not required for a Patent Cooperation Treaty (PCT) national phase application. This form is only required for non-PCT direct national applications.

In the case of a PCT national phase application, the international application or publication number of the application should be indicated on the form entitled ‘APPLICATION FOR AN ADDRESS FOR SERVICE (Form No. 2A of Schedule II to the Patents (General Procedures) Administrative Instructions, 2005). The expression of intent to enter national phase can be included in the application’s cover letter.

Applicants are also reminded that **Form No. 2 (Application for Patent – Documentation Required) should no longer be submitted by an applicant (or agent) together with an application for a patent.** Form No. 2 is only an index of the documentation required for a patent application. Therefore it only serves an instructional purpose.

Also, an applicant filing an application for a Patent Cooperation Treaty (PCT) application, is not required to submit copies of the relevant international application (description, claims, abstract and drawings), international search report, and international preliminary examination report (See Articles 20 and 36 of the Patent Cooperation Treaty, and Rule 47 of the Regulations made under the Patent Cooperation Treaty). The only instance in which the applicant is required to transmit a copy of the international application to BELIPO is when the applicant is entering national phase within 18 months of the priority date.

According to a communication sent by the International Bureau (IB) of the World Intellectual Property Organization (WIPO) to the Belize Intellectual Property Office in 2005 - **‘the applicant must not be requested to submit such report (international search or examination report) because this document is, in any event, to be communicated to the national Offices by the IB. In fact, there is no provision in the PCT that allows EOs (national Elected Offices) to request the furnishing of (such document) from the applicant’.**
