ideas for life

in respect of-

- (a) International Class 7 for machine tools; industrial robots for use in manufacture; gas operated soldering machines; chip mounting machines; semiconductor sealant molding machines; plasma washing machines; metal cutting machines by use or arc, gas or plasma; electronic component placement machines; electronic component insertion machines; soldering paste printing machines; adhesive dispensing machines for electronic component placement; laser inspection machines other than for medical purposes; electronic component feeders; die bonding machines; wire bonding machines; flip chip bonding machines; assembly machines for flat panel display; thermo compression bonding machines; dry etching machines; high throughput screening system; optical disc mastering machines; optical disc replication machines; optical disc bonding machines; laser processing machines; CO<sub>2</sub> laser oscillators for soldering, jointing and processing; electrically operated tools for crimping cables; accessories and head attachments for electric power tools; tool bits, frill sockets and drill tips for electric power tools; chucks for electrically operated nut drivers; blades for electric cutters; electrically operated cutters for metal and or wood; machine saws for metal and or wood; replaceable blades for electric power tools; electrically operated circular saws for metal and or wood; electrically operated reciprocating saws; blades for electrically operated cutting machines, tools and apparatus; adaptors for adjusting head attachments to electric power tools; carrying cases for electric power tools; tool belts for holding electric power tools; machine parts for heat exchanger units; electrically operated tools for polishing; electric motors, other than for land vehicles; electricity generators; electricity generators, wind and or solar powered, equipped with lighting apparatus; machines for centrifugal blowers; machines for axial flow blowers; reduction gears other than for land vehicles; motors for hard disk drive; fan motors for personal computers; fan motors for office automation instruments; elevators lifts for use in factory; elevators lifts for use in building; elevators lifts for domestic use; lifting apparatus for lightings; washing and drying machines; washing machines; tubes as structural parts for clothes washing machines; clothes drying machines; dish washing machines; dish drying machines; electric compressors for use in refrigerators; electric compressors for use in air conditioners; compressors [machines]; pumps [machines]; mixing, cutting and chopping machines; electric chopping, mixing and cutting machines', for food; electric hand mixers for household purposes; electric food processors household purposes; electric can openers; electric knife sharpeners; electric coffee mills; electric food blenders for household purposes; electric juice extractors for household purposes; electric ice-cream making machines; electric meat grinders for household purposes; electric ice crushers; electric waste processors; electric garbage disposals; electric lawnmowers; blades for lawnmowers; hedge trimmers; power pruners; electric pole-pruners for household purposes; electric wood shredding machines; cultivation machines for gardening; electric agricultural sprayers; electric appliances for cleaning; electric vacuum cleaners; electric floor polishers; dirt collectors for commercial use; electric dust, lint vacuum cleaners for clothes; electric lint removers; blowing engines; water feeding apparatus; electric grooming brushes to intake loose hair of pets; electric vacuum cleaners for loose hair of pets; electrical brushes for pet grooming; electric potter's wheels; wheel washing machines; ultraviolet curing machines; kitchen garbage chutes; electric staplers other than for office use; photovoltaic power generators; home electricity generation installations; water sprinkling machines for garden use; waste compacting machines;
- (b) International Class 8 for razors for personal use; electric shavers; electric razors; refillable cartridges cosmetic attached to electric shavers; adapters for electric shavers; blades for electric shavers; blades for electric clippers; safety razors; blades for safety razors; blades for electric trimmers; electric hair clippers; electric clippers for pets; electric beard trimmers; cleaning apparatus, cleaning utensils and charges for electric shavers; shaver cases; depilation appliances, electric and non-electric; nail polishers, electric and non-electric; manicure sets, electric and non-electric; pedicure sets, electric and non-electric; electric nail files for pets; tool belts [holders]; electric nose hair and ear hair trimmers; hand instruments, non-electric hair curlers; hand instruments, non-electric hair irons; hand instruments, non-electric curling brushes;
- (c) International Class 9 for cases for cameras; electric flash lights for cameras; digital still cameras; digital cameras with functions of video camera, audio player and voice recorder; parts and fittings for digital still cameras; plain paper copiers and parts thereof; empty toner cartridges; electronic white boards; optical lenses; automatic document feeders for office use; fire-extinguishing apparatus; batteries; batteries and dry cells; battery charges for storage batteries; rechargeable batteries; nickel cadmium batteries; nickel hydrogen batteries; lithium iron phosphate batteries; lithium phosphate batteries; electric wiring apparatus; electrical

connectors; electric sockets; dimmer switches and parts thereof; time switches and parts thereof; magnetic switches and parts thereof; photo-electric switches and parts thereof; electrical switches and parts thereof; detection switches; electric wiring devices with sensors; operating switches; dimmer function switches; electrical conduits of metal and accessories; flexible electrical conduits; floor ducts for housing electric cables; cable racks for electrical wires and cable laying materials; ballasts for lighting; circuit breakers; circuit protectors; thermal protectors; earth leakage breakers; electric power distributing boxes; electric outlets; fixing frames for electric outlets; electric taps; popup type electric floor outlets; electric floor outlets; electric wiring floors; under carpet wiring installations; electrical plugs; warning apparatus and instruments other than for vehicles; monitoring televisions for use in video intercom systems; intercoms; gas leakage alarms and parts thereof; anti-theft warning apparatus; glass break detectors for anti-theft warning apparatus; thermic ray detectors for human body detector alarms burglar alarms; infrared detectors for infrared transpance block detectors/burglar alarms; electric door chimes; radio receiving/transmitting devices for alarms; buzzers; fire alarms; fire detectors; fire alarm bells for sound equipment; smoke prevention equipment for fire interactive control panels; emergency alarm equipment manually or automatically-activated fire alarms; automated emergency notification equipment; notification equipment for fire alarms and intrusion; electric locks; electric door openers; electric automatic doors; finger print recognition equipment for access controls equipment; face recognition equipment for access controls equipment; video monitoring systems for access control equipment intrusion detection equipment; person identification alarm equipment for imaging sensors; security key boxes for key storage control alarm interactive system; remote lighting control systems; electric receivers for automatic wireless shutter open/close remote controllers; electric transmitters for automatic wireless shutter open/close remote controllers; remote controller transmitters/receivers; remote control switches for televisions or radios; radios; cassette tape players/recorders; radio cassette recorders/players; portable cassette tape players; portable radio cassette players/recorders; optical disc players/recorders/drives and parts thereof; cases for portable audio players; lens cleaning discs for optical disc players; IC memory and/or hard disc players/ recorders; MP3 (MPEG-I Audio Layer-3) players; speakers for audio equipment; stereo tuners; amplifiers; microphones; record players; slip mats for turntable; graphic equalizers; clock radios; IC recorders for voice recorders; digital sound processors; headphones; cordless headphones; earphones; karaoke sing-along machines; audio/visual software, recorded; audio disc players; memory players; iPod; built-In CD player; MP3 player: cassette adapters for reproducing sound on optical discs; apparatus for public address sound system; audio mixers; audio equipment cleaners; optical fiber cables; audio cables/video cables; car audio apparatus; car mount holders for computers, audio/visual equipment, car navigation systems; wireless microphone systems consisting of wireless microphones, wireless transmitters, wireless powered speaker, wireless receivers, wireless amplifiers, diversity tuners; digital multi equalizers; digital multi processors; power amplifiers; audio visual machines, apparatus and instruments; television receivers; cathode ray tube displays; cathode ray tubes; image pick tubes; plasma television receivers; plasma displays; plasma display panels; power supply units for plasma display panel; stands for plasma display panels or plasma television receives; LCD television receivers; liquid crystal displays; liquid crystal display panels; projection television receivers; combined television receivers incorporating video tape recorders; combined television receivers incorporating disc players; antennas; video tuners; liquid crystal display projectors; lenses for liquid crystal display projectors; ceiling mount brackets for liquid crystal display projectors; lamps for liquid crystal display projectors; digital light processing projectors; lenses for video projectors; video cassette recorders/players; camcorders; parts and accessories for camcorders; cables for camcorders; cases for camcorders; electric viewfinders for camcorders; waterproof covers for camcorders; alternating current adapters for camcorders; batteries for camcorders; shoulder straps for camcorders; digital high definition video cassette tape recorders/players; color image large-scale display apparatus; cable television systems; hard disk drivers; audio/visual apparatus used as educational devices; electric optical display boards; multi purpose electric information display systems; surveillance cameras; closed circuit video equipment systems; electric and electronic video surveillance installations; DVD recorded software; television cameras; video switchers; non-linear editing systems; editing controllers; DVD authoring apparatus; light emitting diode displays; USB cables; in-vehicle camera apparatus; electric wireless camera; electric wireless camera monitoring apparatus; video signal converters for network cameras; recording software exclusively used for network cameras; network camera controllers; servers for network cameras; outdoor wireless cameras with motion sensors; convertible cameras; switches for live image production; graphic processors for real time program making; editors to combine picture and sound; DVD video recorders/players; LCD video monitors, wireless displays; carrying handles for projectors; dual stacking mount brackets for projectors; downloadable electronic publication; all-in-one DVD video cassette recorders/players; table racks for liquid crystal display televisions; optical disc machines and apparatus; optical disc drives; optical disc recorders; optical disc players; optical disc changers; optical disc cartridges; optical disc mastering apparatus; facsimile transceivers; transceivers; telephones; cellular phones; cellular phone batteries; IP telephones; cordless telephones; conference speakerphones; accessories for cellular phones; telephone answering machines; global positioning system receivers; radio telephones; marine radars; radars; multi-channel access radio systems; electric traffic information apparatus; apparatus for video teleconferencing; apparatus for local area network; car navigation equipment; electronic toll collecting units for cars; remote controllers for audio/visual machines; photo printers for household purposes; video printers; multi-function printers; finishers for multi-function printers; paper feeding stands for multi-function printers; units for transporting papers for multi-function printers; units for hard disk drive for multi-function printers; memory boards for multi-function printers; document distribution systems for multi-function printers; waste containers for toners for multi-function printers; verification stamps for multi-function printers; accessibility kit for multi-function printers; G3 communication units for multifunction printers; internet facsimile units for multi-function printers; extensions units for multi-function printers; catch trays for multi-function printers; voice mail apparatus for multi-function printers; RFID reader/writer for multi-function printers; LAN boards for multi-function printers; extension cassette for multi-function printers; handset units for multi-function printers; paper cassettes for photo printers; carrying bags for photo printers; wireless conference speakerphones; in-vehicle IT terminals; facsimile machines;

intelligent transport system applied to telecommunications and control technologies to address issues such as traffic accidents and congestions; visual/information distribution systems; digital broadcasting systems which consists of video cameras for digital broadcast, switchers, outside broadcast vans; multimedia learning systems consisting personal computers, recorders and software; emergency call remote controllers; on/off remote controllers; inverters for power units; sequencers for programmable logic controllers; installations for receiving high voltage electricity; power capacitors; iris reader camera systems; automatic controlling machines and instruments; computers and computer peripheral devices; computers; micro processor unit cooling fans; gateway apparatus for computer broadband network; wireless personal computer memory, card international association communication cards; recorded computer software; image scanners; printers for computers; empty toner cartridges for computer printers; compact flash cards; personal computer memory card international association adapters; PC cards; computer keyboards; floppy disk drives; card readers; card reader/writers; bar code readers; bar code scanners; time recorders; portable data terminals; electronic cash registers; terminals for point of sales systems; mobile computers; personal digital assistants; CAD/CAM systems; hard disc drives; electronic calculators; network cameras; uninterruptible power source for computers, communication and broadcasting apparatus; multi-function printers, namely, those which can be used as a printer, a scanner and a facsimile machine in one unit having network connectability; wireless LAN adaptors; Ethernet power supply adapters; SD memory data copy apparatus; network disk recorders; memory card camera recorders; memory card recorders; memory card drives; digital video cassette recorders/players; digital video cassette camera recorders; video encoder cards; car adaptors for computers; digital data storage apparatus using magnetic tapes; optical disc cartridges; DATA data storage apparatus; non-shrinkage low temperature co-fired multilayer ceramic substrates; external data storage media; video cassette tapes; cleaning tapes for tape drives of audio/video tape recorders/players; D-VHS video cassette tapes; digital video cassette tapes; audio cassette tapes; floppy discs; blank optical discs; IC memory cards; secure digital memory cards; measuring apparatus and instruments; thermoluminescence dosimetry systems; dosimeters equipped with alarms; counters; ammeters; power consumption meters; electric leakage meters; electric insulation meters; thermometers, not for medical purposes; measurement system processors; micro-precision measurement devices; audio/video analyzers; oscilloscopes; modulators; voltmeters; distortion meters; electric body-fat measuring and weighing scales; weighing machines/scales; pedometers; calorimeters for physical exercise; exercising pitch gauges; breath odor meters; halitosis meters; hour meters; electricity testing and measuring instruments; power measuring equipment; motor ability training simulators; clamp meters; multi-circuit type electric power monitors; gas meters; ultrasonic gas meters; light emitting diodes; large scale integrations; one chip microcomputers; halftone image processors; semiconductor memory devices; permanent magnets; electric connectors; semiconductor lasers; CCD image sensors; metal-oxide semiconductor image sensors; film capacitors; membrane units for oxygen enrichment; electric tuner units; high frequency units; radio frequency from end system units; radio frequency modulators; coin validating units; coin selector units; bill validating units; bill selector units; magnetic card readers/writers; speaker components; ac adapters; convergence magnets; magnet rolls; DC/DC converters; coils inductors; capacitors; filters being electrical/electronic components; light modulators; light deflectors; optical transmission components; optical coupling components; laser diode modules; photo diode modules; optical connectors; aspherical lenses; deflection yokes; thermistors; surge absorbers varistors; piezoelectric ceramics components; ceramic oscillators; surface acoustic wave oscillators; acousto-optic devices; electric resistors; potentiometers; trimmer potentiometers; thermal cutoffs; electric apparatus consisting of resistor array for interface circuits for resistance networks; electric apparatus consisting of capacitor array for interface circuits for capacitance networks; electric apparatus consisting of resistor array and capacitor array for interface circuits for resistance/capacitance networks; hybrid IC; track ball input devices; electro luminescence elements; magnetic resistive elements; electric coils; choking coils impedance; touch panels; remote control units; duplexers; surface acoustic wave devices; baluns; electric power dividers; voltage controlled oscillators; wireless communication modules/units; radio frequency modules; phase locked loop synthesizer modules; thermal printer units; bi-directional low-power wireless modules; direct current to alternating current inverters; power supply units; fluorescent lamp inverters; ballasts for discharging lamps or tubes; electrical ignition units for home appliances; bead cores; bead arrays; micro chip fuses; electric timers; electric flat irons; electric hair curlers; electric hair irons and accessories thereof; electric eyelash curlers; electric hair curling brushes; electrical ionizing brushes for commercial use; electric hair curling irons for commercial use; electrically heated eyelash curlers for commercial use; electric fans for use in computers; counters; apparatus and instruments, all for current engineering for telecommunications, high-frequency and regulation apparatus and instruments, all for current engineering, conduction, transformation, storage, regulation and control; electricity conduits; distant measuring apparatus; levelling instruments; remote controls for lighting; electric or electronic liquid level controllers; circuit controllers; indicator panels and annunciator panels for use in factories; remote control panels for lighting; control panels for elevators; lighting control panels; voice control panels for emergency escape guiding system; line selectors; relays electric; solenoids; electric coils; switchboards; current converters; socket plates for covering socket outlet; voltage regulators for electric power; aerials; electric laser markers; animal alert devices using ultrasonic wave; radio transmitters/receivers and their tools for pet search; ultrasonic detectors which detect wrings, piping and intermediate posts on the back of wall in building and rooms; recorded video discs and tapes; distribution board cabinets capable of storing IT equipment; power control panels; computerized indication panels for indicating presence/non-presence in offices, and systems therefore; switch gears, electric; terminals for television; pilot lamps; adapters and connectors for telephone wires; plug-in phone jacks; luminous or mechanical road signs; vibroacoustic devices; navigation equipment for detection of location; timers for use in factories; software for use in sequencers for programmable logic controllers; software for processing images and graphics; temperature regulators; equipment sensors; interfaces for computers; image processing systems; appearance testers, not for medical purposes; direct current power supply units; battery chargers; electrical sockets; electrical adaptors; earth terminals; electric extension cords; modular jacks connectors for in-house LAN; coating materials for exposed wirings for conductor seal pipes; computerized time clocks for use in facilities; ultraviolet curing apparatus; plasma washing apparatus; electric trouser

presses; computer software for assisting programming of industrial equipment control; electric arc welding apparatus; welding electrodes; electronic component placement apparatus; electronic component insertion apparatus; soldering paste printing apparatus; adhesive dispensing apparatus for electronic component placement; laser inspection apparatus, other than for medical purposes; electronic component feeders; die bonding apparatus; wire bonding apparatus; flip chip bonding apparatus; assembly apparatus for flat panel display; thermocompression bonding apparatus; dry etching apparatus; high throughput screening systems; optical disc mastering apparatus; optical disc replication apparatus; optical disc bonding apparatus; three dimensional profilometers; micro soldering apparatus; solder fume removing apparatus; switch units integrated with nurse call button, outlets, lights, and so on to be installed at the hospital room bed heads; electric insect killing apparatus; electric soldering machines;

- (d) International Class 10 for surgical, medical, dental and veterinary apparatus and instruments; orthopedic articles; suture materials; suture materials; dental charge coupled device sensor system; bone densitometer; medical laser treatment devices; ultrasonic diagnostic equipment; hearing aids for hearing-impaired persons; laser scalpels for medical use; electronic blood pressure meters; blood pressure management system; electric massage chairs; electric massage beds; massage apparatus; household massagers with water injection function; beautification massagers for commercial use; electronic clinical thermometers; electric beds for medical purposes; low frequency electric therapy apparatus; high frequency electric therapy apparatus; high frequency electromagnetic therapy apparatus; electrical therapeutic appliances; electric air mats for prevention of bedsores; electrical air massage mats; electric inhalers; electric heating pads for medical use; sheets for medical use; electrically heated carpets for medical- use; pillows for therapeutic use; electric sensors for blood sugar level measurement; electric sensors for blood lactate level measurement; DNA analysis apparatus; diagnostic apparatus and instruments for medical purposes; testing apparatus and instruments for medical purposes; electric blankets for medical purposes; oral irrigators for medical purposes; electric esthetic massagers for household use; beds for medical use;
- (e) International Class 11 for installations for lighting; incandescent lamps; fluorescent lamps; head lamps; fluorescent lighting fixtures; incandescent lighting instruments; electrical bulbs and lighting instruments; miniature bulbs; screw-in fluorescent lamps; torches for lighting; electric lanterns; dynamo lighting sets for bicycles; sensors lights; discharge lamps and fittings thereof; productive lighting instruments; wall lights; garden lights; ceiling lights; electric lamps for repelling moths; electric lighting equipments for trapping insects; electric insect trapping killing apparatus in the form of lamps; germicidal lamps; gate lights; escape lights; street lights; chandeliers; glow switch lamps; downlights; glow switch starters; desk lights; lamp sockets; lanterns; installations for cooking; automatic bread makers for home use; electric kettles; autoclaves electric pressure cookers; electric rice cookers; electric porridge cookers; electric roasters; ovens for cooking; toasters; coffee percolators, electric; coffee filters, electric; coffee roasting machines; electric cooking stoves; electric thermo pots; gas cookers; induction heating hobs; electric barbecue griddles for household purposes; electric blenders for household purposes; electric juicers for household purposes; electric hand mixers for household purposes; electric food processors for household purposes; electric meat grinders for household purposes; electric can openers for household purposes; electric knife sharpeners; electric coffee mills; microwave ovens for domestic use; gas cooking stoves with ovens; electric food pans; electric dish washing and drying machines; sinks; water faucet metal ware; electric cooking utensils; electric tea leaf grinders; electric rice cake makers for cooking; electric frying apparatus for cooking; induction heating electronic rice cookers/warmers; electronic rice cookers/warmers; built-in gas cookers; trim kits for microwave ovens; installations for refrigeration and freezing; refrigerators; gas refrigerators; freezers; cold/hot water dispensers; cold water dispensers; hot water dispensers; electric water coolers; electric ice makers; electric fans for ventilation; ventilating fans for household use; electric dehumidifiers; electric humidifiers; air curtains; air handling units; ceiling fans; roof ventilators; electrostatic precipitators for cleaning air; electric deodorizers for cars; centrifugal fans; axial flow fans; electric air purifiers; electric air purifiers; electric air purifiers for household purposes; filters for air purifiers; filters for household air purifiers; range hoods for cookers; ventilation systems; air outlets for air conditioners; apparatus for making and supplying oxygen enriched air; heat exchange cooling units for cooling electric apparatus instruments; electric air deodorizers; installations for heating, cooling and air-conditioning; air conditioning apparatus; remote controllers for air conditioners; air conditioners for automobiles; fan coil units for air conditioning; heat exchanger units; electrically heated carpets; electric space heaters; electric blankets other than for medical purposes; electric radiant heaters; hot-water space heating apparatus; hot water floor heating apparatus; electric hand warmers, including glove types and others; electric heating equipments; electric foot warmers; electric floor heaters; gas fired heaters and hot water suppliers; heat pump units; CO2 heat pump water heaters; car seat heaters; positive temperature coefficient heaters; carbon lamp heaters; installations for sanitary purposes; toilets with washing functions; septic tanks for domestic use; septic tanks for industrial use; water purifying and mineralizing apparatus for household use; garbage incinerators; sauna baths; steam saunas; shower rooms; electric bubble dispensers; electrical foam makers for household use for body washing; cordless air dischargers for home bubble bath; shower heads; water boilers showers; instantaneous water boilers; bathtubs with wash place; bathtubs; electric air bubble bathtubs; set units of toilet bowl and seat; water boilers for bathrooms; bath boilers; toilet bowls; electrolyzed water generators; electric water heaters; toilet seat units with washing water squirters; bidets; metallic bathtubs; portable toilets; portable bidets; battery-operated scalp massagers; water heaters; gas instantaneous water heaters; dryers for hair; electric hand dryers; electric dish drying machines; electric clothes drying machines; electric hair dryers for household use; electric hair dryers for commercial use; brushes for hair dryers for household use; brushes for hair dryers for commercial use; electric appliances for domestic use; panel heaters; whirlpool baths; electrical automatic waterer for home gardening, and parts and accessories thereof; spotlights; temporary emergency lighting; emergency lights; indicator lights; mercury vapor lamps; high-pressure mercury vapor lamp instruments; sodium lamps; safety lamps light diffusers; searchlights; ventilations, air-conditioning installations and apparatus; electric refrigerators for cosmetics; dryers for pets; electric

cooling/warming mats for pets; household humidifiers; household deodorizing equipment; household electric dehumidifiers; electric hand dryers; electric ionizing combs for household use; electric ionizing brushes for household use; electric ionizing combs for commercial use; electric ionizing brushes for commercial use; electrical hair curlers for household use; electrical hair curlers for commercial use; electric make-up removing appliances for commercial use; electric make-up removing appliances for household use; electric dead skin cell removers; electric face brushes for household use; electric face brushes for commercial use; electric hair steamers for commercial use; electric hair steamers for household use; electric facial equipments using ultrasonic wave, for household use; electric facial equipments using ultrasonic wave, for commercial use; electric facial treatment equipment for household use; electric facial treatment equipment for commercial use; electric esthetic massagers for household use; steam generators for facial treatment, for household use; steam generators for facial treatment, for commercial use; electric pore cleansers; electric cooler/warmers; stools for Japanese style toilet; water taps made of metal; wash basins for lavatory; bathtub units integral with wash place and dressers; electric incense burners; apparatus for shower; water softening apparatus for domestic use; water softening apparatus for commercial use; replacement cartridges for water softening apparatus; ionic water generators; water purifying apparatus; electric heaters for bathrooms; electric heaters for dressing rooms; electric stoves for bathrooms; electric water supplying instruments; electric water pressurizing apparatus; bathroom handrails, not of metal; water supply installations; automatic sprinklers for watering flowers and plants.

The applicant claims that it has a bona fide intention that the trademark be so used in relation to the goods mentioned.

**ANY** person desirous of making opposition to, or observations in respect of, the above-cited application, whose Number on the Register is 6019.09 should do so in writing addressed to the undersigned not later than the 5<sup>th</sup> day of March, 2010.
