DATED this 19th day of August, 2008.

NOTICES OF PUBLICATION CORRECTION

Take notice that trade mark No. 5040.07 published in the Intellectual Property Journal Vol. 7 – Nos.13, 14 and 15, the goods “solar panels which are modules that make use of energy of the solar radiation to produce electricity”, was inadvertently published as International Class 19, instead of **International Class 9**.

DATED this 21st day of August, 2008.

Take notice that “Notice of Opposition” to trademark No. 5082.07 published in the Intellectual Property Journal Vol. 7 – No. 15, was inadvertently published with the date of Application as filed on July 7, 2008, instead of December 10, 2007.

DATED this 21st day of August, 2008.

NOTICE OF ANSWER TO NOTICE OF OPPOSITION

TAKE NOTICE that the Registrar is in receipt of an answer, filed on the 20th day of August, 2008, by BRITISH AMERICAN TOBACCO (BRANDS) LIMITED (The Applicant), of Globe House, 4 Temple Place, London WC2R 2PG, United Kingdom, to the opposition by PHILIP MORRIS PRODUCTS S.A., of Quai Jeanrenaud 3, 2000 Neuchâtel, Switzerland, filed on the 7th day of July, 2008, against trade mark application No. 5082.07, filed on the 10th day of December, 2007, by BRITISH AMERICAN TOBACCO (BRANDS) LIMITED (The Applicant), for the registration of the following trade mark, as proprietors thereof:

The Applicant hereby gives notice that the following are the grounds on which it relies as supporting the above trade mark-

1. The opponent is mistaken as to the Applicant Mark's date of filing which is December 10, 2007 and not 7th July, 2008 and averred in the Opponent's Opposition.
2. The Applicant's Mark is not substantially identical nor deceptively similar to the Opponent's design which is used with the Opponent's Marlboro brand. The Applicant contends that the differences in the design and colours of the Applicant's Mark together with the additional element of the word EMBASSY in the said application allows for consumers to distinguish between the two trade marks overall. The Applicant's Mark is therefore not likely to deceive or cause confusion in Belize.
3. The Opponent's Malboro brand may be a well known brand and may have acquired a reputation in Belize, despite the Applicant's belief that such sales may well be in small amounts. However, the Opponent's Marlboro brand and associated designs peacefully coexist with Embassy, Montana, Derby and other brands which include similar designs in several markets in the world.
4. The applicant wishes to draw the Opponent's attention to the Applicant's prior registered trade marks 608.02, 610.02, 609.02, 2136, 3427.05 and 7690, all of which contain designs similar to the Applicant's Mark and Embassy design, most of which predates the Opponent's Marlboro mark Registration No. 4388.08 which forms the basis of their present opposition.

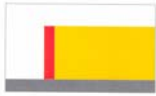

DATED this 21st day of August, 2008.

Title: A MULTIFUNCTIONAL LOCK	
Abstract: A multifunctional lock comprises a lock shell (1), a lock bar (3), movable tooth pieces (4), a support (5) for sliding blocks, sliding blocks (6) and a guide slot unit (8) for the insertion of a key. Wherein, an elastic element is provided between the lock bar and the support, the sliding blocks at least partially extend into the keyway of the unit. When the lock is unlocked, a projection of the unit has two operating positions, in one of which the projection is received into the cut of the shell and the upper teeth of the tooth pieces disengage from the bottom teeth of the sliding blocks, in another it is out of the cut and the upper teeth engage with the bottom teeth. The key of the lock can be changed many times.
