EDITOR'S NOTE

Dear Reader

BELIPO 2007 CLIENT SURVEY

We have launched our 2007 Client Survey on Friday July 13, 2007. The Survey features a Client Feedback Form that can be used to comment on the various aspects of our operations. The form can be completed online at www.belipo.bz and submitted anonymously.

We urge you to participate in this Survey and help us develop an ongoing process for actively listening to you and responding to your needs. Such a client relationship management process usually has the following advantages –

- helps an organization identify problem areas, set priorities and focus resources more effectively;
- results in greater client satisfaction.

It may be recalled that satisfied clients make for satisfied employees.

Alhaji Tejan-Cole
Deputy Registrar

FREE ACCESS TO ONLINE JOURNAL

BELIPO's fortnightly Intellectual Property Journal can now be freely accessed on our website by clicking on the 'IP JOURNAL' link of the homepage (<http://www.belipo.bz>).

A search feature has also been added to the journal page of the website. By entering a keyword in the search box, a user can search for details of trademark, patent and industrial design applications published since April 4, 2003.

The Intellectual Property Journal contains notices of new applications for registration, notices of renewal and changes to the Register, notices of registration, and general office notices.

NOTICE OF TRADEMARK OPPOSITION

TAKE NOTICE that the Registrar is in receipt of a notice of opposition filed by COCO PLUM ISLAND RESORT LTD., of 1 Jetty Pier Road, Dangriga, Stann Creek District, Belize, against Trade Mark Application No. 4475.07, filed on the 20th day of February, 2007, by Great Belize Productions (The Applicant), of 17 Regent Street, Belize City, Belize, for the registration of the following trade mark, as proprietor thereof:

The Opponent opposes the above Trade Mark Application on the grounds that:

1. the above mark resembles a registered mark for similar goods and services i.e. COCOPLUM A RESORT COMMUNITY Design resulting in the likelihood of confusion and/or of association by the public being BZ No. 3446.05 dated January 30, 2006, which has been granted and in force until 17th October 2015, and as such, falls within the purview of Section 37 (2) (b) of the Trade Marks Act.
2. The Opponent has prior to registration and at least for the past 7 years, used the registered mark in its advertising and marketing of its business namely the Hotel/Tourism Industry as can be evidenced on its website www.cocoplumcay.com. As such, the Opponent also opposes pursuant to Section 37 (3) since the Applicant's mark is similar and alternately, if the goods and services are not found to be similar, by long usage, the earlier mark has gained a reputation, and use of the later mark would be detrimental to the distinctive character or reputation of the Opponent's mark.
3. "Coco Plum" has been the name of the island for centuries and as such, is historical and highly distinctive. Both businesses are located in one of the smallest (if not the smallest) Districts of Belize, namely Stann Creek with an estimated population of 24,548 people, which represents 10.3% of the total population of Belize, and as such, and despite the registered mark's national recognition, the applicant's proposed mark is already confused by a majority of residents and visitors in that locality who are almost all familiar with the opponent's registered mark.
4. Coco Plum Island Resort Ltd. has also been incorporated and the Companies Registrar has not given permission to incorporate any other entity belonging to the Applicant with a similar name.
5. The Opponent's business is duly registered with the Belize Tourism Board and remits due Hotel Accommodation Taxes and License Fees.
6. While not the exact classes, Classes 35 and 36 contain elements of the Classes the Opponent has sought protection for, namely hotel business and rentals and are thus, similar to the registered classes namely, Class 43 for hotel and hotel reservation. There exists visual and aural similarity through its dominant components namely: identical words (all in Roman characters), colours, drawings and perceptual connotations when compared and taken as a whole.
7. In addition to its national and locally renowned reputation, by virtue of the International Segment of its business, the said mark has also gained notoriety internationally *inter alia*, as one of the world's leading wedding destinations and as such, is entitled to protection under the Trade Marks Act.

The Applicant is required to submit a response to this notice, to the Registrar, no later than 30 days from the date of publication of this notice.

DATED this 11th day of July, 2007.
