EMPIRE

The Registrant hereby gives notice that the following are the grounds on which it relies as supporting the above trade mark:-

1. by application filed on or around the 6th day of December, 2010, Medizinisch-technische Handelsgesellschaft mbH (Medi plus Tec) (hereinafter called 'the Registrant') sought the registration of the EMPIRE trademark;
2. by Notice of Opposition filed on or around the 16th day of March, 2011, BAT Caribbean S.A., the Applicant herein, opposed the registration of the EMPIRE Trade Mark by the Registrant;
3. by Answer to Opposition filed on or around the 7th day of June, 2011, the Registrant responded to the said Notice of Opposition;
4. however, BAT Caribbean S.A., the Applicant herein, failed to pursue its opposition to the Registrant's application in a timely manner;
5. as a result, by Notice of Ruling dated the 13th day of September, 2011, the Registrar ruled against BAT Caribbean, S.A. in its opposition to the Registrant's application;
6. The EMPIRE mark was registered in the name of the Registrant on or around the 19th day of September, 2011;
7. the Applicant herein is acting in bad faith as it failed in its opposition to the Registrant's registration of the mark and is now seeking some other means to have the Registrant's mark struck off the register;
8. the grounds for invalidation being relied on by the Applicant are identical to the grounds of opposition previously relied on by the Applicant (which was the Opponent in the opposition proceedings);
9. furthermore, the Applicant herein, BAT Caribbean S.A., had also applied on or around the 16th day of March, 2011 (being after the Registrant's application) to register the very same EMPIRE trade mark, which said application was refused by the Registrar;
10. the Applicant herein is further acting in bad faith as it opposed the Registrant's application to register the said mark while simultaneously filing a separate application to register the identical mark;
11. the Applicant herein is not the registered proprietor of the mark or any similar mark in Belize;
12. the Applicant herein has no legitimate right to seek the invalidation of the mark, which was properly registered in the name of the Registrant;
13. the Applicant does not rely on any legitimate rights of ownership of the mark or any similar mark in Belize and has no such rights of ownership of any mark in Belize.;

14. the Applicant herein relies on no earlier right or use of the said mark and has no such earlier right or use in Belize;
15. the Applicant, by its own admission, has only a bona fide intent to use the mark in Belize;
16. the Registrant is the registered proprietor of the EMPIRE mark in over eighty (80) countries in the world and is pending in twenty (20) countries;
17. the Registrant uses the mark and has used the said mark in countries around the world, including the Middle East, South America, and Africa;
18. the Registrant has used, marketed, distributed and traded extensively in goods and products bearing the said mark in numerous territories since the year 2002;

20. the said mark is one of the most successful trademarks amongst the Registrant's trademark portfolio;
21. the Registrant's mark is well-known in Belize and internationally as its mark;
22. the Registrant is the registered proprietor of the mark in Belize;
23. the Registrant denies that the Applicant's trademark is a well-known trade mark entitled to protection under statute or otherwise;
24. the Registrant denies that its mark contravenes sections 37(1), 37(2), 37(4)(a), and 38(1)(b) of the Trade Marks Act and amendments thereto
25. the Registrant further denies that its mark is identical with or similar to the Applicant's trade mark as an earlier mark and denies that its mark is registered for goods or services identical with or similar to those for which the Applicant's trade mark as earlier mark is protected;
26. the Registrant denies that its continued registration and use of its mark would be likely to cause confusion, in particular a likelihood of confusion on the part of the public, which includes the likelihood of association with the earlier trade mark;
27. the Registrant strongly opposes the application for invalidation brought by the Applicant.
