## NOTICE OF OPPOSITION

**TAKE NOTICE** that the Registrar is in receipt of a notice of opposition filed by ANIMALE GROUP S.A. (The Opponent), of Edificio Torre Global Bank, Piso 36, Calle 50, Panama City, Panama, against trademark Application No. 11230.14, filed on the 22<sup>nd</sup> day of October, 2014, by UNIVERSAL PROTEIN SUPPLEMENTS CORPORATION dba UNIVERSAL NUTRITION (The Applicant), of 3 Terminal Road, New Brunswick, New Jersey 08901, U.S.A., for the registration of the following trademark, as proprietor thereof:

The Opponent opposes the above trademark Application on the grounds that:

1. The Opponent is the proprietor of the 'ANIMALE' trademark and has registered its trademark throughout the world in Classes 3, 9, 14, 24 and 25. Animal Group S.A. opposes the above application for registration of trademark ANIMAL on the ground that the trademark is confusingly similar to the ANIMALE trademark.
2. The Applicant is seeking registration of trademark ANIMAL in Class 25 for clothing, namely, hats, caps, bottoms, tops, shorts, pants, shirts, sweat shirts, sweat pants, sweat jackets and the Opponent has registered its trademark in several countries similarly in Class 25 for pants, undershirt, t-shirt; camisole, Bermuda shorts, hats, jackets, belts, footwear, blouses and shirts. As a result of the similarity of the name 'ANIMAL' and 'ANIMALE', as well as the similarity of the goods, there exists a likelihood of confusion in that the average consumer is likely to assume that the Applicant's trademarks are associated with the Opponent's trademark.
3. Apart from the similarity of the Applicant's trademark to the Opponent's trademark, should registration be granted for trademark 'ANIMAL', its use would take unfair advantage of and be detrimental to the distinctive character or repute of the Opponent's trademark.
4. The Opponent, Animale Group, S.A., has been using trademark ANIMALE in Belize since approximately 2004 and its products has been sold at the duty free shops in Belize City. The ANIMALE mark is well known and is associated with its products, namely, fragrances, clothing, eyewear and watches. Animal Group S.A., has over two hundred (200) applications/registrations throughout the world and has registration in Class 25 in Bolivia, Columbia, Dominican Republic, Ecuador, Panama, United States and Venezuela.
5. The Opponent's is presently engaged in oppositions against the said trademark, that is, 'ANIMAL' in Columbia, Ecuador, Dominica Republic and Paraguay and has no alternative than to oppose the above application for 'ANIMAL' simply to protect its trademark given the funds it has spent in marketing its trademark.
6. The Opponent has exhausted obscene funds to market and protect its trademark. Its products are well known to its consumers and its trademark has acquired distinctiveness and fame over the years.
7. The Opponent respectfully request that the applications be denied.

The Applicant is required to submit a response to this notice, to the Registrar, no later than 30 days from the date of publication of this notice.

**DATED** this 24th day of February, 2015.

**TAKE NOTICE** that the Registrar is in receipt of a notice of opposition filed by Philip Morris Brands Sàrl (The Opponent), of Quai Jeanrenaud 3, 2000 Neuchâtel, Switzerland, against trademark Application No. 11232.14, filed on the 23<sup>rd</sup> day of October, 2014, by Voltran Duty Free Limited (The Applicant), of Corozal Free Zone, Corozal District, Belize, for the registration of the following trademark, as proprietor thereof:

The Opponent opposes the above trademark Application on the grounds that:

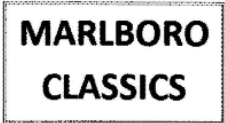

1. The opponent is the registered proprietor of numerous trade marks for the mark MARLBORO including but not limited to marks #4388.07 registered 22/1/2007, #1089 registered 27/6/1956, #6053.09 registered 3/4/2009, #5969.09 registered 3/2/2009, and the applicants for registration nos. #10460.14, filed on 2/1/2014, and #10427.14 filed on 2/1/2014 respectively in respect of international class 34 for cigarettes and associated goods.
2. The Applicant's mark is deceptively similar to these earlier marks and application has been made for the registration thereof for goods identical with or similar to those for which the earlier MARLBORO marks and in particular its "roof top design" (hereinafter referred to as MARLBORO) are protected in international class 34.
3. There exists a likelihood of confusion on the part of the public including the likelihood of association with the earlier marks.
4. Such confusion will, especially if the opposed mark is marketed in its full trade dress, give rise to the passing off of the goods marketed under the said mark for those of the MARLBORO brand thus misleading the public into the belief that the goods offered by the Applicant are those of the Opponent.
5. The said MARLBORO marks are well known trade marks and as such are entitled to protection under the Paris Convention.
6. The MARLBORO marks have a reputation in Belize and the use of the Applicant's mark without due cause would take unfair advantage of or be detrimental to the distinctive character or repute of the MARLBORO marks.
7. The targeted consumers are identical or substantially similar in that they are persons looking for tobacco products.
8. The channels of trade are identical or substantially similar in that the products are sold where tobacco products are available.

The Applicant is required to submit a response to this notice, to the Registrar, no later than 30 days from the date of publication of this notice.

**DATED** this 24th day of February, 2015.
